AFFIDAVIT OF PANAGEOTES PHILIS

Dear Sir:

I, Panageotes Philis, declare as follows:

1. I am a citizen of the United States of America, residing at 12 Lincoln Avenue, Kearny, NJ 07032.
2. I am the named inventor of the above-referenced United States Patent Application No. 10/634,494 ("the '494 application").
3. I appointed Anthony D. Cipollone, Esq., Patent Registration No. 29,020, 15 Main Street, Suite 215, Hackensack, NJ 07601, my attorney with full power to prosecute the '494 application and to transact all business in the Patent and Trademark Office connected therewith.
4. I am aware that the '494 application was filed on August 6, 2003 by Mr. Cipollone who deceased sometime thereafter.
5. I obtained a copy of all communications between Mr. Cipollone and the United States Patent and Trademark Office

relating to the '494 application after the demise of Mr. Cipollone.

7. I first became aware that a Declaration had been filed with the '494 Application by Mr. Cipollone which was executed by someone other than myself.

8. I am currently represented by new counsel who informed me that I must submit a Supplemental Declaration to rectify any defects regarding the original Declaration.

9. I hereby submit that I have signed the Supplemental Declaration and am aware that the Supplemental Declaration will replace the original Declaration.

10. The file of the original executed Declaration bearing someone else's signature was without my knowledge.

I declare under penalty of perjury that the foregoing is true and correct. I further state that I have been warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code and that, where a declaration is made in connection with a patent application, such willful false statements may jeopardize the validity of the patent application or any patent issuing thereon. I further state that all statements made in the foregoing of my own knowledge are true and all statements made in the foregoing on information and belief are believed to be true.

Dated:
